

POSTGRADUATE KURSER

- 1) Tværfagligt kursus i den kliniske anvendelse af CT-skanning, ultralyds-skanning og isotopdiagnostik, DADL, 1981.
- 2) Teoretisk kursus i almen medicin, Århus Universitet 1982.
- 3) Akupunktur begynderkursus, Dansk selskab for Akupunktur, september 1982.
- 4) Columna I, Dansk selskab for manuel Medicin, 1984.
- 5) Columna II, Dansk selskab for manuel Medicin, 1985.
- 6) Akupunktur af reumatologiske lidelser, Dansk selskab for Akupunktur, 1985.
- 7) Akupunktur af neurologiske lidelser, Dansk Selskab for Akupunktur, 1987.
- 8) A practical course in acupuncture, Felix Mann, London 1987.
- 9) Epilepsi, Dansk Epilepsi Selskab, 1988.
- 10) Gennemgang af hovedprincipperne i kinesisk akupunktur. Dr. Joseph Helms, 1989.
- 11) Terapeutisk kommunikation I, Erno Metze & P.E. Gaarde Madsen, DADL, 1989
- 12) Akupunktur fortsættelseskursus, Dansk Selskab for Akupunktur, 1989.
- 13) Akupunktur fortsættelseskursus, Dansk Selskab for Akupunktur, 1991.
- 14) Socialneurologi og neuropsykologi. A-kursus, februar 1992.
- 15) Akupunktur ad modum Felix Mann. Dansk Selskab for Akupunktur, marts 1992.
- 16) Epileptologi. A-kursus, marts 1992.
- 17) Klinisk og paraklinisk undersøgelsesteknik, A-kursus, april 1992.
- 18) Neurologisk rehabilitering, A-kursus, september 1992.
- 19) Neuroonkologi, A-kursus, oktober 1992.
- 20) Cerebrovaskulære lidelser, A-kursus, november 1992.
- 21) Basale neurofag, A-kursus, februar 1993.
- 22) Klinisk neurofysiologi, A-kursus, april 1993.
- 23) Forskningsmetodologi, A-kursus, september 1993.
- 24) Billeddiagnostiske metoder i neurologi, A-kursus, september 1993.

- 25) Basalganglie og demyeliniserende lidelser, A-kursus, oktober 1993.
- 26) SOSA-kursus, A-kursus, november 1993.
- 27) Neuromuskulære lidelser, A-kursus, november 1993.
- 28) Den evnesvage patient. Dansk Selskab for Oligofreniforskning, marts 1994.
- 29) Kursus i statistisk analyse af overlevelsedata 1995, Københavns og Århus Universiteter, Panuminstituttet, september-oktober 1995. (PhD-kursus).
- 30) Kursus i Registerforskning, Center for Registerforskning, Forskerparken i Århus, oktober 1996.
- 31) Status Epilepticus, Dansk Epilepsi Selskab, Albertslund, november 1996
- 32) Kliniske databaser, DADL, Domus Medica, april 1997
- 33) Alkoholpolitik, netværkskursus, H:S Bispebjerg Hospital, april 1997.
- 34) Internettet for læger, DADL, Domus Medica, april 1997.
- 35) Internet for speciallæger, neurologer, IBM, juni 1997.
- 36) New Antiepileptic Drugs: Basic science and clinical use in children and adults, American Epilepsy Society, San Diego, 6. December 1998.
- 37) Epilepsy Genetics: The 21st Century, American Epilepsy Society, Los Angeles, December 1.st. 2000.
- 38) Sleep and epilepsy. American Epilepsy Society, Philadelphia, 30. November 2001.
- 39) Epilepsy trough the life cycle. American Epilepsy Society, Philadelphia, December 2.nd 2001.
- 40) Assessing the efficacy of antiepileptic treatments. American Epilepsy Society, Seattle, December 2002.
- 41) Photoshop CS, I juni 2004, Caslon IT, Ballerup
- 42) Adobe Premier Pro, august 2004, Caslon IT, Ballerup.
- 43) EPM superbruger-kursus, 5.-6. December 2005, Hvidovre Hospital.
- 44) SAK II - Rationel klinikdrift, 22.-23. marts 2007, Lægeforeningen.
- 45) SAK VI - Speciallægen som leder, 10.-11. maj 2007, Lægeforeningen.
- 46) SAK V – EDB-bogføring, adm. og økonomistyring, 5. oktober 2007, Lægeforeningen.

- 47) Evidence-based medicine headache treatment, Teaching Course 12, 12th Congress of the European Federation of Neurological Societies, Madrid Spain, August 23th. 2008.
- 48) Sleep disorders in neurology, Teaching Course 15, 12th Congress of the European Federation of Neurological Societies, Madrid Spain, August 23th. 2008.
- 49) Neuroophthalmology, teaching Course, 61st Annual Meeting, April 2009, AAN Seattle.
- 50) Movement disorders emergencies, teaching Course, 61st Annual Meeting, April 2009, AAN Seattle.
- 51) Non-Alzheimer dementia, teaching Course, 61st Annual Meeting, April 2009, AAN Seattle.
- 52) Parkinson Disease and Movement disorders update, teaching Course, 61st. Annual Meeting, April 2009, AAN Seattle.
- 53) Hot topics in Headache and related disorders, teaching Course, 61st Annual Meeting, April 2009, AAN Seattle.
- 54) Clinical Approach to muscle disease, teaching Course, 61st Annual Meeting, April 2009, AAN Seattle.
- 55) Evaluation and management of autonomic disorders, teaching Course, 61st Annual Meeting, April 2009, AAN Seattle.
- 56) Small Fibre neuropathy, teaching Course, 61st Annual Meeting, April 2009, AAN Seattle.
- 57) Painful pain patients, teaching Course, 61st Annual Meeting, April 2009, AAN Seattle.
- 58) Neurology of sleep I, teaching Course, 61st Annual Meeting, April 2009, AAN Seattle.
- 59) Faldgrupper I Demensdiagnostik, Nationalt Videnscenter for demens, Roskilde Sygehus, 3. September 2009.
- 60) Neuro-ophthalmology, teaching Course, 63st American Academy of Neurology, April 2011, Honolulu.
- 61) Neuro-otology, teaching Course, 63st American Academy of Neurology, April 2011, Honolulu.
- 62) Sleep for the Practicing Neurologist, teaching Course, 63st American Academy of Neurology, April 2011, Honolulu.
- 63) Neurology Update 1 + 2, teaching Course, 63st American Academy of Neurology, April 2011, Honolulu.
- 64) Unusual presentation of common movement disorders, 17th International Congress of Parkinson Disease and Movement Disorders, June 16th.-20th., 2013, Sydney, Australia.
- 65) Update on disturbances of sleep-awakefulness and movement disorders, 17th International Congress of Parkinson Disease and Movement Disorders, 16th-20th June 2013, Sydney, Australia.

- 66) Instrumental analysis of gait and posture in Parkinson Disease, 17th International Congress of Parkinson Disease and Movement Disorders, June 16.th.-20.th.2013, Sydney, Australia.
- 67) What's new in essential tremor and non-essential tremor? 17th International Congress of Parkinson Disease and Movement Disorders, June 16.th.-20.th.2013, Sydney, Australia.
- 68) An update on dystonia, 17th International Congress of Parkinson Disease and Movement Disorders, June 16.th.-20.th.2013, Sydney, Australia
- 69) 17th International Congress of Parkinson Disease and Movement Disorders, June 16.th.-20.th. 2013, Sydney, Australia.
- 70) 18th International congress of Parkinson Disease and Movement Disorders, Stockholm, Sweden, June 8.th.-12th. 2014.
- 71) Non-dopaminergic symptomatic medications for the management of Parkinson Disease, June 9.th. 2014, Stockholm.
- 72) How to approach and manage patients with movement disorders and disturbances of sleep wakefulness, June 9.th.2014, Stockholm.
- 73) Movement disorders Grand Rounds, June 10.th. 2014, Stockholm.
- 74) Golden tips on how to better diagnose unusual movement disorders, June 10.th. 2014, Stockholm.
- 75) Uncommon treatable movement disorders not to be missed, June 10.th. 2014, Stockholm.
- 76) Cerebrovascular Disease, American Academy of Neurology, Washington, April 18.th. 2015.
- 77) Controversies in the Management of Incidental and Asymptomatic Cerebrovascular Lesions, American Academy of Neurology, Washington, April 18.th. 2015.
- 78) Management of Asymptomatic Cerebrovascular Lesions, American Academy of Neurology, Washington April 18.th. 2015.
- 79) Challenging Headache Cases, American Academy of Neurology, Washington April18.th. 2015.
- 80) Neurology Update I, American Academy of Neurology, Washington April 19.th. 2015.
- 81) Therapy in Neurology, American Academy of Neurology, Washington April20.th. 2015.
- 82) Sleep for the Practicing Neurologist, American Academy of Neurology, Washington April 24.th. 2015.
- 83) Clinical Approach to Muscle Disease, American Academy of Neurology, Washington April 25.th 2015.
- 84) XXII World Congress of Neurology, Santiago Chile, October 31.st. - November 5.th. 2015.

- 85) Rare cases in clinical practice (Tournament Committee), Santiago Chile, November 31.st. 2015.
- 86) Video Sessions Seizures Semiology, Santiago Chile, October 1.st. 2015.
- 87) 12.th European Congress on Epileptology, Prague, September 11.th.-15.th. 2016.
- 88) 23.nd World Congress of Neurology, Kyoto, September 16.th-21.st. 2017.
- 89) Mild Cognitive Impairment, American Academy of Neurology, Los Angeles, April 21.st. 2018.
- 90) Parkinson Disease Update, American Academy of Neurology, Los Angeles, April 21.st. 2018.
- 91) The neurology of social behavior, American Academy of Neurology, Los Angeles, April 21.st. 2018.
- 92) Hot topics and controversies in Parkinson Disease, American Academy of Neurology, Los Angeles, April 22.nd. 2018.
- 93) Non-motor manifestations of Parkinson Disease I+II, American Academy of Neurology, Los Angeles, April 22.nd. 2018.
- 94) Evaluating tremor in the office, American Academy of Neurology, Los Angeles, April 23.rd. 2018.
- 95) Treatment of neuropathy symptoms without medication, American Academy of Neurology, Los Angeles, April 24.th. 2018.
- 96) Introduction to primary headache disorders, American Academy of Neurology, Los Angeles, April 4.th. 2018.
- 97) Concussion management, American Academy of Neurology, Los Angeles, April 24.th. 2018.
- 98) Small Fiber Neuropathy I+II, American Academy of Neurology, Los Angeles, April 25.th. 2018.
- 99) Behavioral Neurology I+II, American Academy of Neurology, Los Angeles, April 26.th. 2018.
- 100) Neuromuscular junction disorders I, American Academy of Neurology, Los Angeles, April 27.th. 2018.
- 101) Neck pain, cervical spine stenosis, cervical radiculopathy and cervical spondylotic Myelopathy, American Academy of Neurology, Los Angeles, April 27.th. 2018.
